

## Bear Lake Reserve

Nature-blessed North Carolina has a new getaway destination. Bear Lake Reserve appeals to fishermen, golfers and anyone who enjoys spending time in the Blue Ridge Mountains and Smoky Mountains.

The property has 13 miles of shoreline, so boating plays a huge role. A Jack Nicklaus-designed golf course opened in July. Twenty-three miles of hiking trails weave through the forest.

Cottage and condo rentals are available nightly, weekly and monthly. Bear Lake Reserve is 62 miles west of Asheville near Tuckasegee.
